

Vishal Banthia, MD

POST-GRADUATE TRAINING

- 2004 – 2005 **Stanford University Medical Center**
Stanford, California
Fellowship, Facial Plastic and Reconstructive Surgery
- 2000 – 2004 **New York-Presbyterian Hospital –
The University Hospitals of Columbia and Cornell**

Memorial Sloan-Kettering Cancer Center
New York, New York
Residency, Otolaryngology-Head and Neck Surgery
- 1999-2000 **New York-Presbyterian Hospital – Columbia University Medical
Center Campus**
New York, New York
Internship, General Surgery

EDUCATION

- 1995-1999 **University of California, San Francisco School of Medicine**
San Francisco, California
Doctor of Medicine
- 1991-1995 **Stanford University**
Stanford, California
Bachelor of Science, Chemistry with Honors
- 1994 **University of Oxford**
St. Anne's College, Oxford, England
*Emphasis in Biochemistry and Economics of Health Care
(Study Abroad)*

BOARD CERTIFICATIONS

- Diplomate, American Board of Facial Plastic and Reconstructive Surgery
Diplomate, American Board of Otolaryngology-Head and Neck Surgery

PROFESSIONAL MEMBERSHIPS

- American Academy of Facial Plastic and Reconstructive Surgery
American Academy of Otolaryngology-Head and Neck Surgery
American College of Surgeons
American Medical Association
Santa Clara Medical Society
California Society of Facial Plastic Surgeons
California Academy of Cosmetic Surgery

PRESENTATIONS

- *Chin Augmentation: Alloplastic Implantation vs. Sliding Genioplasty*, Oral presentation, International Plastic Surgery Conference, Mumbai, India: January 2008.
- *Secondary Wound Healing Response by Radiofrequency Non-Ablative Tissue Tightening*, Oral presentation, American Academy of Facial Plastic and Reconstructive Surgery, Las Vegas, Nevada: May 2006.
- *Browlift Selection and New Trends in Midface Lifting*, Oral presentation, Update in Facial Plastic Surgery, New York, New York: April 2006.
- *Rejuvenation of the Face and Neck*, Oral presentation, Next Step Cosmetic Dermatology Forum, Stanford, California: May 2005.
- *Facial Nerve Injury in Cosmetic Surgery: How to Avoid and Treat It*, Oral presentation, Foundation for Facial Plastic Surgery, Lake Tahoe, California: March 2005.
- *Novel Methods in Midface Lifting*, Oral presentation, Tegulcigapa, Honduras: February 2005.
- *Avoiding Nasal Tip Bossae*, Oral presentation, Tegulcigapa, Honduras: February 2005.
- *Facial Analysis*, Oral presentation, Tegulcigapa: Honduras: February 2005.
- *Methods of Browlifting*, Oral presentation, Detroit, Michigan: January 2005.
- *Facial Analysis*, Oral presentation to medical students, Stanford, California: 2004-2005.
- *Photography in Rhinoplasty*. Co-presenter, San Francisco, California: November 2004.
- *Translacrimal transnasal laser-assisted dacryocystorhinostomy*. Grand Rounds, New York-Presbyterian, The University Hospitals of Columbia, New York, New York: June 2004.
- *Serum Eosinophilia in Chronic Rhinosinusitis*. Oral presentation, Orlando, Florida: September 2003.
- *Alar Reduction with a Novel Sill Incision*. Oral presentation, COSM, Nashville, Tennessee: May 2003.
- *Semi-automated Digital Model of Ciliary Beat Analysis*. Poster presentation, COSM, Nashville, Tennessee: May 2003.
- *Role of Bisphosphonates in the Management of Meniere's Disease*. Poster presentation, Eastern Section, Triologic Society, Boston, Massachusetts: January 2003.
- *Percutaneous Suture Technique for Alar Base Reduction*. Oral presentation, American Academy of Facial Plastic and Reconstructive Surgery, San Diego, California: September 2002.
- *Amphotericin B Nasal Irrigation in Allergic Fungal Sinusitis*. Oral Presentation, American Academy of Otolaryngology-Head and Neck Surgery, San Diego, California: September 2002.
- *Modified Weber-Fergusson Incision: Adherence to the Aesthetic Nasal Subunits*. Poster presentation, American Academy of Facial Plastic and Reconstructive Surgery, San Diego, California: September 2002.
- *Anterior Snare Mini-Turbinectomy*. Poster presentation, American Academy of Otolaryngology-Head and Neck Surgery, San Diego, California: September 2002.
- *Burkitt's Lymphoma in the Head and Neck*. Grand Rounds, New York-Presbyterian, The University Hospitals of Columbia and Cornell, New York, New York: June 2002.
- *Effects of Prematurity on Nasal Ciliary Beat Frequency*. Pediatrics Grand Rounds, New York-Presbyterian, The University Hospitals of Columbia and Cornell, New York, New York: June 2002.
